STUDENTS ENTERING Pre-Kindergarten

Please purchase for classroom use and have ready for the first day of school:

All students need a clean facemask every day – without the plastic breathing hole.

My suggestion is:

5 cloth face masks – one for each day of school – **the school is providing 1 of the 5**

**Please label masks with your child's name and for top/bottom (if needed)*

Each mask would only be worn on a specific day – for example one mask for Mondays, a different one for Tuesday's, etc. Masks may be decorative, but cannot have names of groups, political views, etc.

1 spare cloth mask in a zip lock bag with your child's name on the outside (to be kept in school)

1 **large**, sturdy backpack (the small ones do not have enough room – name inside)

1 sturdy, plastic lunch box (name inside)

1 large boxes of tissues

1 large rolls of paper towels

1 large packages of napkins

1 large bottle of hand sanitizer with a pump top

1 large container of antibacterial wipes (if possible)

1 container/package of antibacterial hand wipes – (90 count or more if possible)

Please purchase the following supplies for use at home:

crayons (Crayola size large)	liquid glue
safety scissors	glue sticks
assorted construction paper	

The following supplies are provided by the school and will be for each child individually:

1 holder (for crayons and such)	
communication folder	crayons
various paints	glue
glue sticks	scissors
pencils	assorted art supplies
assorted construction paper	assorted tissue paper

Pre-Kindergarten students wear the gym uniform ONLY (all pieces are labeled with the school name) – tee shirt, sweat shirt, sweat pants, shorts (optional) and sneakers. Sneakers with laces are NOT permitted. Velcro, elastic, and slip on sneakers are fine.

**Thank you for your cooperation and
Welcome to Pre-Kindergarten! ☺**

**Please understand that the above may change due to new and/or updated circumstances.
